CIV 03-4244

Plaintiff,

-VS-

ALUMINART PRODUCTS LIMITED, a
Canadian company; and CHAMBERDOOR
INDUSTRIES, INC., a Delaware

Defendants.

ORDER

Defendants filed a Motion to Allow Use of Example Products and Demonstratives During Summary Judgment Hearing, Doc. 217. The Court will grant the motion, but will direct that the pending summary judgment motions, Docs. 163, 178, will be heard during the pretrial conference currently scheduled for September 10, 2007, rather than at the conclusion of the inequitable conduct trial scheduled to commence July 17, 2007, due to the complexity of the issues and the fact that the reply briefs on the summary judgment motions are not due until July 13, 2007. *See* Third Amended Scheduling Order, Doc. 148. Accordingly,

IT IS ORDERED that Defendants' Motion to Allow Use of Example Products and Demonstratives During Summary Judgment Hearing, Doc. 217, is granted, but the pending summary judgment motions will be heard by the Court during the pretrial conference currently scheduled for September 10, 2007, rather than at the conclusion of the inequitable conduct trial scheduled to commence July 17, 2007.

Dated this 10th day of July, 2007.
